

Nordplus 2019

Annija Dāvidsone and Liene Vasile

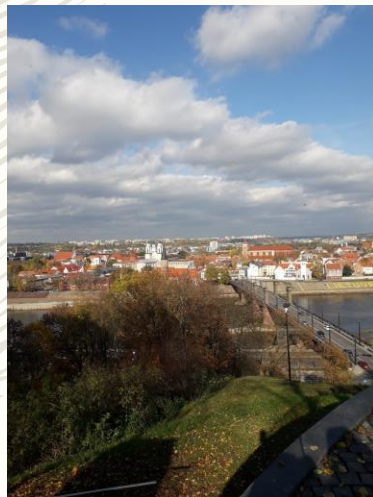

First day

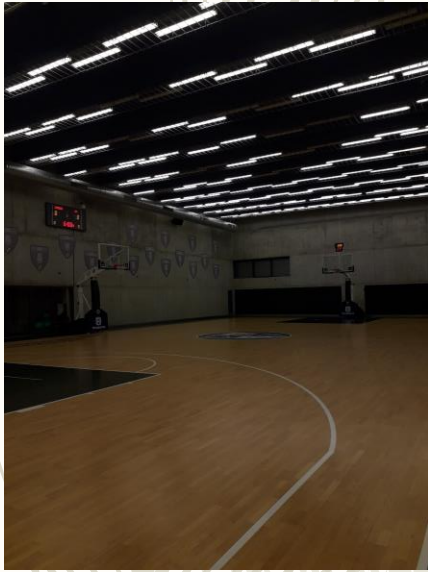

In the afternoon we left Juglas vidusskola and started our journey to Lithuania. We drove quite a long time, but it was fun. Already on the bus we were talking to other project participants. When we arrived, we went to the school hall to meet the families. We were in Egle's family. They showed us rooms and introduced to other family members.

Second day

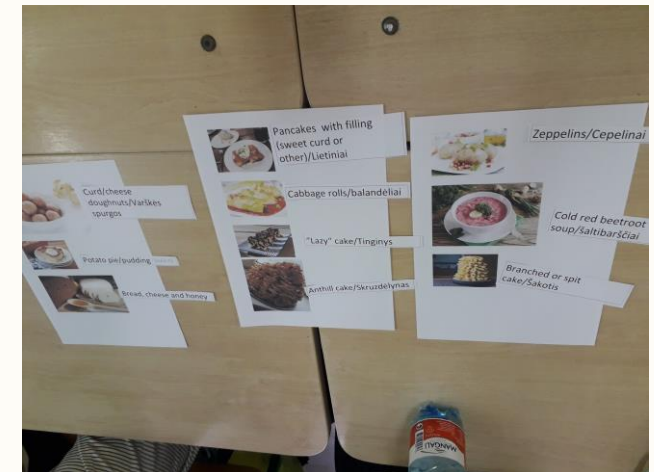

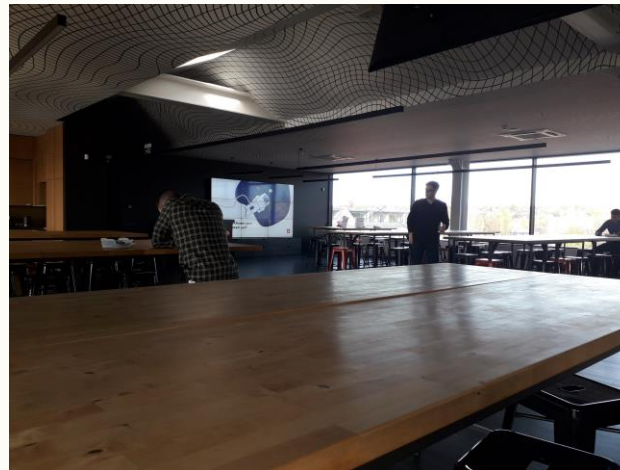

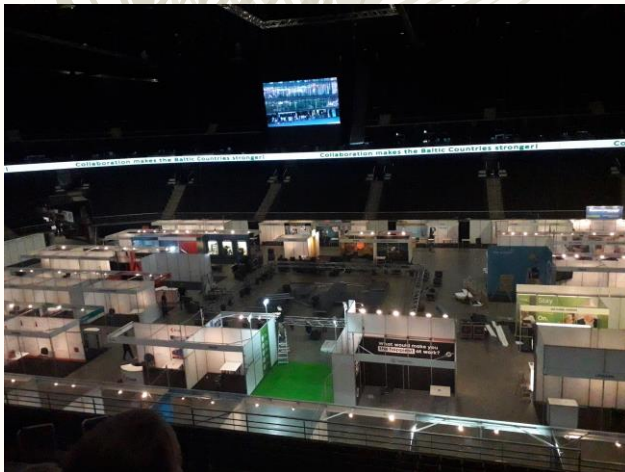

At 8.00 a.m. we had cartoon lesson. After almost 2 hours we went to art lesson “The tree of my country”. Then by public transport to Aleksotas panoramic viewpoint, funicular. At 15.30 o'clock – in Vytautas Magnus University – presentation about sound recording. University was really modern and cool. We would love to study there. Day was really interesting and creative.

Third day

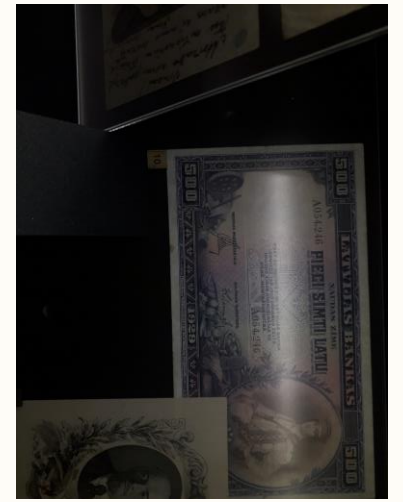

In the morning we had English lesson about national Lithuanian dishes. Teacher had a cheese too. It was very delicious! After that project participants made bread. Afternoon, we visited office "Devbridge". Office was very beautiful and stylish. And now-day's best excursion- to Žalgirio Arena. It was unigue chance to see it, when there is no humans. Today's excursions were so inspring and good to all of us.

Fourth day

- Our longest day with many of different types of trips. We were in excursion to president`s castle. It was unigue too. It was really weird, because we were using Ipad`s. Then – 30 minutes long activities in Vilnius Vocational training centre. Then- Money museum. We were introduced to the history of money, from seashells to credit cards.

Fifth day

- Started our day with geography quiz about European countries. Then history educational trip to Garliava by school bus. Visited church of Holy Trinity. In school had handmade paper making workshop. Went to Kaunas University of Technology. Made groups and websites. Our website was about socks. And our favourite activity- lasertag in “Ka-Ringas”. It was so cool and frightening too.

Sixth day

- Now, our most important day – project day. Annie and Dana were talking about internet and how it helps in our life. Lūkass was making small presentation about our school- Bergi Music and art primary school. We think that all presentations were impressive and giving more information about schools. Then all participants went to Chocolate factory “Ruta”. Chocolate was yummy and tasty.

Thanks

- Thanks to all project participants about good time we had. Good and bad moments. We can't wait to see you again. Greetings from Latvia!
- Project gave us:
 - ❖ Responsibilities;
 - ❖ Experiences;
 - ❖ Lot of new friends.

Thanks for your
attention!
